PRODUCT PHASE-OUT NOTICE

Dear Valued Lantronix Customer,

The purpose of this communication is to inform you that Lantronix is phasing out the SLC-03 Secure Console Manager product. The deadline for placing a final non-cancellable, non-returnable purchase order is September 30, 2016 with a scheduled delivery no later than December 31, 2016 (availability subject to stock on hand).

SLC-03 is being replaced by the new SLC 8000 product family of Advanced Module Console Managers. With a high performance architecture, support for modular USB and/or Serial console ports, integration with smart PDUs and FIPS 140-2 Level 1 compliant advanced security profile, SLC 8000 product family is the trusted solution for many organizations ranging from small businesses to Fortune 500 companies.
